CONTAIN 2 PRODUCTS

ULTRA-HYDRATING HAIR 5 X MORE HYDRATED, 10 X SOFTER

FOR SOFT AND STRIKINGLY BRIGHT HAIR. Hydra Care is specially formulated to completely remedy dry, damaged & dull hair and restore all lost nutrients, leaving a light and soft appearance. Its formula includes nutrients that are rich in essential wheat protein and high in amino acid; protective plant extracts; Argan oil; omega-6 natural fatty acid; hydrolyzed keratin for balance. In addition, it fosters and cares for fiber surfaces for all hair types, resulting in intense hair shine, strength, natural movement and elasticity from roots to tips.

HOW TO APPLY

HYDRA CARE SET

Step 1: Apply **ARGAN SHAMPOO** on wet hair, lather well and rinse thoroughly. Repeat if necessary.

Step 2: remove excess water with a towel and apply a generous amount of **MASK INTENSE**, on fingertips and apply from the middle of the hair shaft down to the ends. Wait **10 -15** minutes then rinse thoroughly.

****Precautions:** External use only. Keep out of reach of children. In case of eye contact rinse with plenty of water.
