BRAZILIAN SMOOTH KERATIN 500ML

SMOOTH KERATIN REDUCER 500ML

INNOVATION TECHNIC WITHOUT ALTERING COLORED OR BLEACHED HAIR

ORGANIC SMOOTH KERATIN TREATMENT is a high performance Brazilian keratin straightener that uses the latest nanotechnology techniques to deliver a total penetration of capillaries; without altering the hair fibers structure, and would instead act on the innermost part and thus more effectively rejuvenate the hair ,taming and soothing the hair, and restoring natural movement.

ORGANIC SMOOTH KERATIN TREATMENT Purely natural ingredients extract , and no harsh chemicals use, to enable a temporary change of the hair structure: Volume control and frizz reduction by 80%.Its action strengthens and restores the dry hair, damaged by chemical processes (dyes, highlights, perms and external aggressions, sun, pollution, blow drying, swimming pool. Delivering the extra shine hair and maintain the natural properties by creating a total protection on colored bleached hair long lasting up to6months. Formula which can be customized to offer varying results.
