REJUVENATES, SOOTHES AND BALANCES

Keratin Care Quickly rejuvenates your hair in 3 applications, bringing a smooth balance and brightness from the roots to the tips. Keratin Care contains Argan Oil , Hydrolyzed Keratin & Collagen to restore PH damaged hair structure and elasticity.

The alpha keratin protein is responsible for 80 - 90% of the weight of hair mass and the Argan Oil with hydrolyzed keratin and light collagen renews capillary fiber, and reduces split ends, restoring elasticity and shine. Keratin Care is the veritable hair treatment to remedy dull dry and damaged hair.

HOW TO APPLY

KERATIN HYDRA CARE SET

Step 1: After washing with Argan Shampoo, half-dry your hair with a towel.

Step 2: Apply Keratin Hydra Care strand by strand and remove excess with a comb. Leave for **15** minutes then rinse to remove the entire product. A brisk brushing immediately delivers the perfect result.

****Tips:** (To activate the Anti-Frizz, apply iron at **210°C 4** times on each fine hair section.)
