## SMOOTH KERATIN SET 120ML

BRAZILIAN SMOOTHING KERATIN SET

LISS EXPRESS

INNOVATIVE TECHNIQUE NOT USE ANY FORMALDEHYDE

Contains:

1 Argan shampoo	120ml
1 Liss Express Smooth	120ml
1 BBcream Multi Action	120ml

SMOOTH, SILKY, SIMPLY STUNNING

Liss Express is a Brazilian keratin smoothing treatment range that intensely reduces swelling caused by the “sponging” of hair fibers, increasing density and effectively sealing strands to leave them smooth and shiny.

The Keratin, Murumuru Butter & Carbo-Cysteine natural proteins, rich in amino acids, and essential fatty acids are combined in an innovative technique to provide a perfect and immediate solution to frizzy, wavy, dry and damaged hair. Hair is left with a natural, healthy and rejuvenated look, reducing frizz by **75%** and time saving on hair styling..

## HOW TO APPLY

### KERATIN EXPRESS SET

**Step 1:** After washing with **Argan Shampoo**, half-dry your hair with a towel.

**Step 2:** Apply Liss Express strand by strand and remove excess with a comb. Leave acting for **30** minutes then rinse out with warm water only until product is completely removed.

**Step 3:** Apply **BB CREAM** and leave without rinsing out.

**Step 4:** Blow dry and separate the hair into thin sections; apply iron at **210°C 3 - 5** times on each section.

### Result:

Result is immediate - Wait **24** hours to wash.

**\*\* Precautions:** External use only. Keep out of reach of children. In case of eye contact rinse with plenty of water.
