KERATIN CARE 200ML

### TREATMENT THAT REJUVENATES, SMOOTHES & BALANCES

Ultra-reconstruction in only 3 applications intensely enriched through powerful technology combines Keratin Argan oil with light collagen corrects PH, hydrates, restores elasticity, and quickly rejuvenates smooths & balances for all hair types.

Keratin Hydra Care Quickly rejuvenates your hair, bringing a smooth balance and brightness from the roots to the tips. Keratin Hydra Care contains Nano - Keratin & light Collagen to restore damaged hair structure & elasticity. The alpha keratin protein is responsible for 80 - 90% of the weight of hair mass and the Nano- keratin with light collagen renews capillary fiber, and reduces split ends, restoring elasticity and shine. This treatment is the veritable Hair Remedy.

## HOW TO APPLY

**Step 1:** After washing with Argan Shampoo, half-dry your hair with a towel.**Step 2:** Apply Keratin Hydra Care strand by strand and remove excess with a comb. Leave for 15 minutes then rinse to remove the entire product.**Step 3:** A brisk brushing immediately delivers the perfect result.

**Tips:** (To activate the Anti-Frizz, apply iron at **210°C 4** times on each fine hair section)

**\*\*Precautions:** External use only. Keep out of reach of children. In case of eye contact rinse with plenty of water.
